

## Call for Applications

- Position: Associate Professor or Lecturer  
Number: 1  
Affiliation: Department of Electronics, Graduate School of Engineering, Nagoya University, Japan  
Research Field: Nitride-based power devices and related advanced devices  
Qualifications: 1) Holder of a Ph.D. 2) Extensive experiences in nitride-semiconductor epitaxial growth, defect characterization, electrical characterization and device processing. 3) Experiences in electronic-device-related research of other semiconductor materials. 4) Educational experiences of doctor-course students.  
Period: Not fixed.  
Starting Date: Earliest possible date after April 1, 2018  
Application Documents:

The following documents should be prepared in print on A4 paper and also in electronic files except (9) stored by a USB storage device. Then send them by mail to the address below with a note "Application to associate professor position in Department of Electronics. Reference Number: DE20170930" written in red on the front of the envelope.

- (1) Curriculum vitae with face photograph
- (2) List of publications (reviewed papers, international conferences, patents, awards, etc.)
- (3) Reprints of five representative publications
- (4) List of competitive research funding
- (5) Summary of research achievements (about two pages)
- (6) Research plan and essay on applicant's policy on education (about one page)
- (7) Name, affiliation, and e-mail address of two contact references
- (8) Other items the applicant considers useful for selection (number of citations, education experiences, social activities, etc.)
- (9) Recommendation letter from one of contact references of (7)

Deadline: No later than 17:00 JST of September 30, 2017

Address for application documents

Prof. Norihiko Nishizawa

Department of Electronics, Nagoya University  
Furo-cho, Chikusa-ku, Nagoya 464-8603, Japan

Inquiry: Prof. Jun Suda, Department of Electronics  
Phone: +81-52-789-4642, FAX: +81-52-789-4642  
E-mail: suda (at) nuee.nagoya-u.ac.jp

Remarks: Nagoya University commits to gender equality
